MEAGAN'S  
WALK

## GOLF FUNDRAISER

Thursday, September 17, 2009

Meagan's Walk: Creating a Circle of Hope is named in memory of Meagan Bebenek, who died on Father's Day, 2001, shortly after her fifth birthday, and less than six months following a diagnosis of brain stem glioma, an inoperable and cancerous brain tumour.

Brain tumours are the leading cause of cancer related death in young people age 20 and under. Funds raised through Meagan's Walk support the brain tumour research at SickKids, the only facility in Canada with a program dedicated to this specialized area of research.
